₆The number of State Titles only includes those titles in the Executive branch of State Government. As of April 30, 2012, there are 472 titles assigned to the Judicial and Legislative Branches of State Government that the Civil Service Commission maintains on behalf of both branches; however, the authority over the consolidation and/or elimination of those titles rests with the branches themselves. In April, the reduction of 79 titles resulted from our ongoing consolidation/reduction initiative in which we are continually looking at titles with similar duties and education & experience requirements and consolidating where applicable; eliminating titles that are obsolete; and eliminating zero-incumbent titles.
