₁The performance indicator does not reflect public safety positions, due to outstanding litigation. In May, 249 new lists were issued. Of these, 33 (or 13%) were "backlog" or announcements older than six months. The cause of "backlog" announcements involved situations where announcements that had been previously canceled were resurrected following decisions of the Civil Service Commission. The backlog lists, if factored, would have increased the turnaround time from 133 days to 147 days.

₂There were 126 Open Competitive announcements with issue dates between May 1 to May 31, 2013, all of which were issued with OAS capability. Of the 2,783 applications for Open Competitive announcements received in May, 2,773 (or 99%) were sent using OAS.

₃In May, there were 272 Promotional announcements issued, all of which were issued with OAS capability. Of the 1,045 applications for Promotional announcements received in May, 811 (or 78%) were sent using OAS.

₄The Call Center phone system received 12,096 calls in May. Of these, 3,955 (or 33%) were handled by Call Center staff. Average time in queue increased dramatically in May due to non-receipt of scheduling notices by Police Sgt. Examination candidates. In addition, the Call Center handled a high volume of calls regarding Correction Officer Recruit results and scheduling of test reviews for custody and Family Services Specialist titles.

₅The Division of Merit System Practices & Labor Relations changed its name to the Division of Appeals & Regulatory Affairs (DARA) effective August 1, 2012.

₆In the preceding 12 months, DARA has received a total of 2,619 written record appeals and has completed 2,354. As of May 31, 2013, there were 1,426 pending written record appeals. The decrease in written record appeals completed is the result of a continuing trend in the month over month increase of examination eligibility appeals, a 45% increase over last month of examination scoring appeals and an increase in examination administration and validity appeals

⁶The Division of State & Local Operations changed its name to the Division of Classification & Personnel Management effective June 1, 2012.

⁷Pursuant to N.J.A.C. 4A: 4-4.2 and 4A: 4-4.8, the Certification Unit is responsible for the issuance and final disposition of all State and local government certifications. In May, 287 State and 226 local government certifications were issued.

⁸The number of State Titles only includes those titles in the Executive branch of State Government. As of May 31, 2013, there are 483 titles assigned to the Judicial and Legislative Branches of State Government that the Civil Service Commission maintains on behalf of both branches; however, the authority over the consolidation and/or elimination of those titles rests with the branches themselves. In May, the 19 titles consolidated or eliminated resulted from our ongoing consolidation/reduction initiative. Specifically, the difference in titles is due to the inactivation of obsolete titles in which no future use is planned, and the consolidation of similar titles with similar duties, education and experience.

⁹This is a one-time performance indicator for FY 2013. As of May 31, 2013, there have been 158 titles reallocated from the competitive to the non-competitive class of service. This action provides State and local agencies with the flexibility and timeliness needed to meet their staffing needs. The reallocations, when approved, include titles for which the primary requirement is a State-issued license, certification or specialization. Currently, the Civil Service Commission does not typically administer written examinations for such titles since possession of the license or certification establishes that the applicant has successfully met the requirements necessary to qualify for the title. Appointing authorities can easily verify State-issued licenses by the issuing agency.
